ABOUT US

Our History

Tuscan Stoneworx Canada was founded on two decades of experience, gained across three continents, by company President Jan Herwig. A German-born mastercraftsman who fell in love with the endless creative possibilities that lightweight stone manufacturing offers.

Our Values

We believe in the basics:

- Trust
- Respect
- Integrity
- Reliability
- Quality

Our Facility

We are blessed to have highly experienced craftsmen and leaders from historic European nations like Germany, Great Britain & Italy, across all levels of our organization. Team Tuscan's dynamic work ethic, experience, and commitment to creativity are unparalleled.

01

All Tuscan Stoneworx products are bespoke, tailored to the specific design requirements of the client. No two finished products are ever the same.

03

Locally based, but internationally resourced. Tuscan Stoneworx benefits from the combination of a local Albertan facility, lead by European craftsmen.

02

Variety is the spice of design. Tuscan Stoneworx has vast array or colors, textures, and profiles to complement or accentuate any design .
