Canadian Design

EUROPEAN FINESSE

OUR BACKGROUND

Tuscan Stoneworx Canada was founded on two decades of experience, gained across three continents, by company President Jan Herwig. A German-born mastercraftsman who fell in love with the endless creative possibilities that lightweight stone manufacturing offers.

**Putting the finishing
touch on your project is
what we do.**

ABOUT US

Our Facility

Our creative headquarters and crafting facility is based out of our Edmonton, Alberta. Due to the lightweight nature of Tuscan Stoneworx, up to 70% lighter than traditional concrete, our products can be cost-effectively shipped across Western Canada.

Our Values

We believe in the basics:

- Trust
- Respect
- Integrity
- Reliability
- Quality

Team Tuscan

We are blessed to have highly experienced craftsmen and leaders from historic European nations like Great Britain & Italy, at all levels of our organization. Team Tuscan's dynamic work ethic, experience, and commitment to creativity are unparalleled.

3 REASONS TO FEATURE

Tuscan Stoneworx

IN YOUR
DESIGN

01

All Tuscan Stoneworx products are bespoke, tailored to the specific design requirements of the client. No two finished products are ever the same.

03

Canadian design, European finesse. Locally based, but internationally resourced. Tuscan Stoneworx benefits from the combination of a local Albertan facility, lead by European craftsmen.

02

Variety is the spice of design. Tuscan Stoneworx has vast array or colors, textures, and profiles to complement or accentuate the design in any space.
