The

# DUPPERON

## Four Textures & 28 Standard Colours

The Dupperon is classically elegant and pairs beautifully with any decor. It blends modern lines with enough detail to create a stunning focal point.

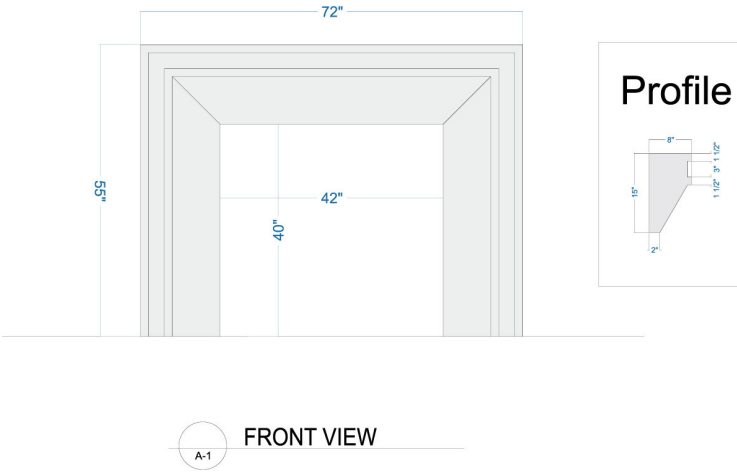

The

# JUBILATION

## Four Textures & 28 Standard Colours

This surround is all about modern linear design. The Jubilation is an understated way to highlight the beauty of your fireplace, offering both sophistication and timeless simplicity.

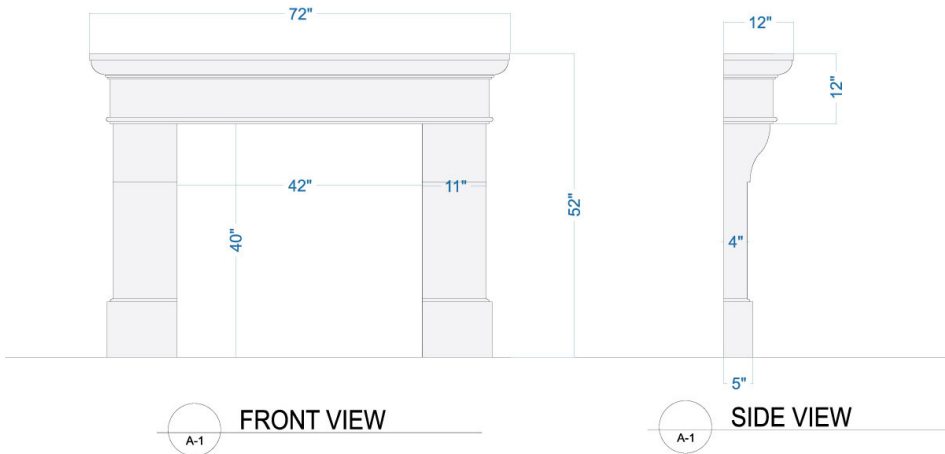

The

# SOVEREIGN

## Four Textures & 28 Standard Colours

The Sovereign offers a robust concrete look without the weight. Its traditional lines will create interest while the overall simplicity blends into any modern decor. Pull up your favourite cozy chair and stay awhile.

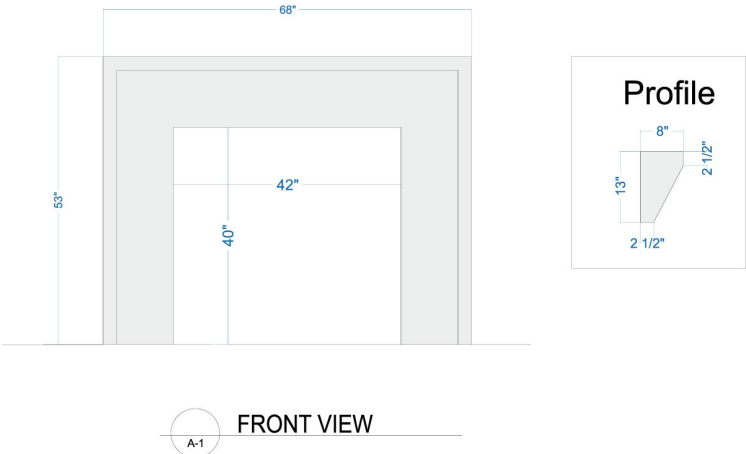

The

# LEVANT

## Four Textures & 28 Standard Colours

This is simplicity at its best! The Levant is the ideal choice for modern styles that want to maintain a linear, trendy look. Your fireplace will be warm and inviting while complementing a minimalist decor.

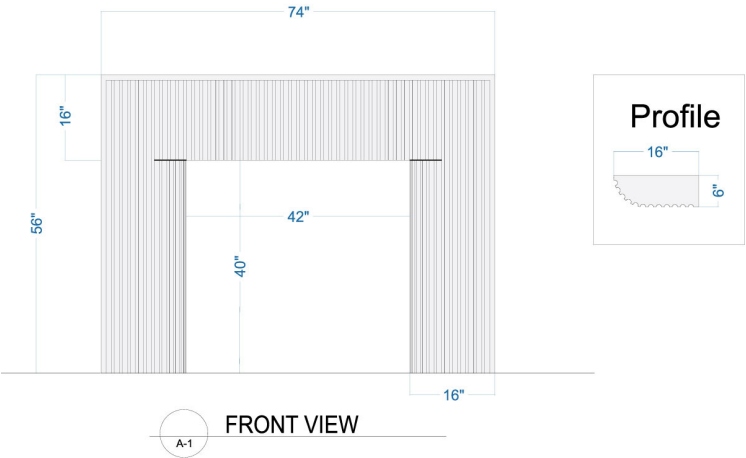

The

# CALLAIS

## Four Textures & 28 Standard Colours

Introduce contrast effortlessly with the intricate lines of the Callais. Simple enough to complement any style, the Callais adds drama with its touch of industrial design.

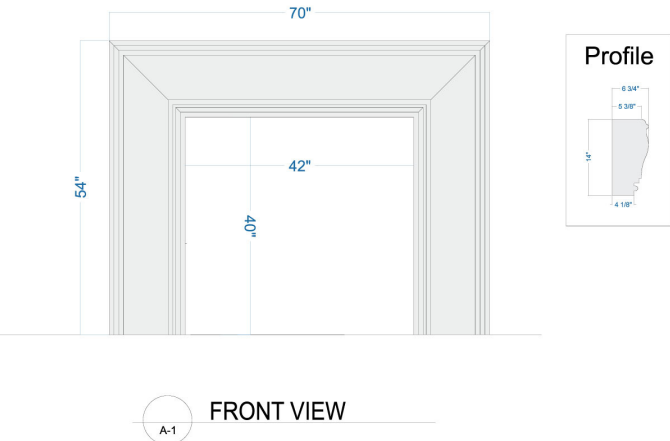

The

# ANDRUSIAK

## Four Textures & 28 Standard Colours

A classic way to edge your fireplace, the Andrusiak blends seamlessly with existing trim, offering homeowners a versatile and quiet way to create a fireplace focal point. Its transitional style will ensure its longevity as a beautiful style option.

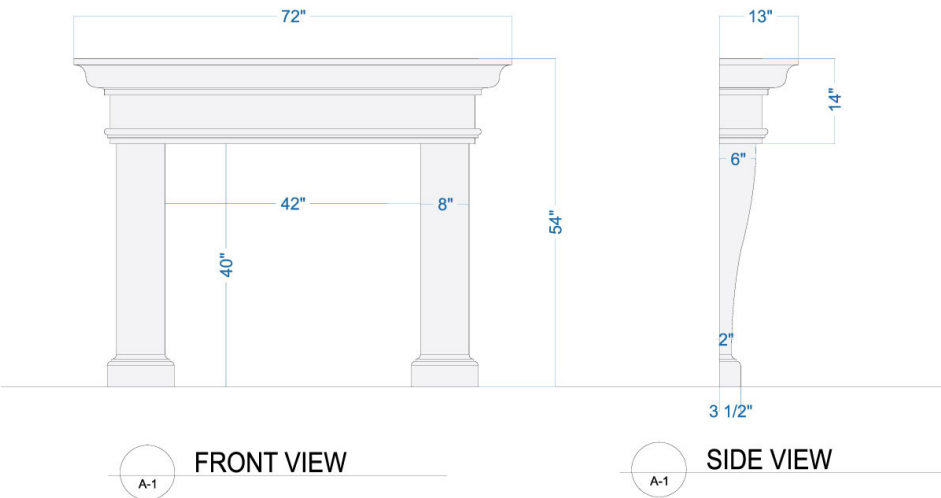

The

# PALLISADE

## Four Textures & 28 Standard Colours

Add a luxurious touch with the Pallisade. This surround offers a traditional look with its bold profile, yet maintains a modern elegance to compliment any transitional style.

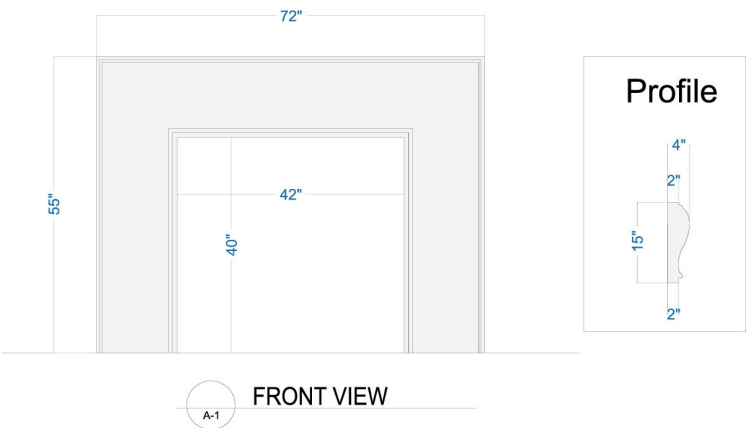

The

# ESSEX

## Four Textures & 28 Standard Colours

Another modern option, the Essex suits a variety of decors with its linear design. Subtle detailing brings upscale style to your fireplace.

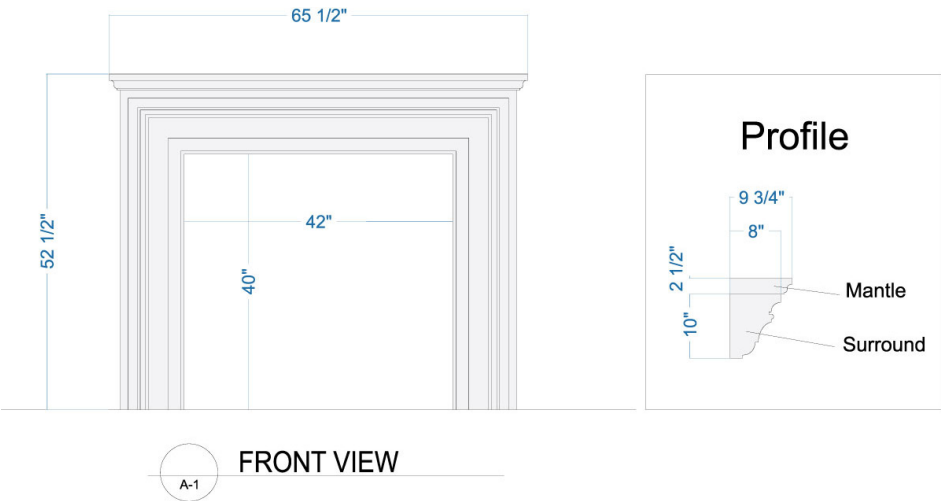

The

# ANTICA

## Four Textures & 28 Standard Colours

Cozy up to old world charm with the Antica. This modern rustic surround is a welcoming focal point in any room. It blends classic details with sleek straight lines to create a timeless style.

The

# THOMSON

## Four Textures & 28 Standard Colours

The Thomson adds contemporary style to any home with a minimalist design. Sleek and simple, this surround is a beautiful way to frame your fireplace.
